

Welcome to the Loews MVP Program!

The Loews MVP "Most Valuable Planner" program is an exciting rewards program that was created to reward you or your organization when you bring your Meetings or Events to any Loews Hotels & Resorts. Meeting and Event planners, once enrolled, are rewarded with Loews MVP reward points for contracted group (ten rooms per night or more) room revenue.

How it works

Participants in the Loews MVP program earn 1 Loews MVP reward point for every \$10.00 in contracted group room revenue, so the points really add up. Participants can select from over 10,000 reward options, including merchandise, travel (including Loews stays), experiential rewards and charity donations.
